Update on Membership Renewals by Credit Card

Would you ever spend \$5 for \$3 worth of merchandise or services? That doesn't seem like a sound investment – and ALAN doesn't think so either. For that reason, ALAN will no longer accept credit card payments with **mail in** memberships.

Credit card processing companies charge a monthly fee for the privilege of enabling credit card payments whether

the service is used or not. In addition, each transaction triggers an additional fee. In the last 6 months, only a few credit card payments were processed. The fees take a big chunk out of the funds collected that make offering mail in credit card payment not very cost effective, especially since credit card payments are accepted online. So, from this point on, credit card payments that are mailed in will no longer be processed.

Credit cards can still be used, as always, for online membership. You can find
